Azamara "British Isles" Itinerary

July 16 - 28, 2021

July 16: Edinburgh, Scotland: Arrival

July 17: Edinburgh, Scotland: To discover Edinburgh, head to its historic heart with a walk down The Royal Mile. At the top, perched above the city, is Edinburgh Castle, home to the crown jewels and sweeping views. At the far end is the Palace of Holyroodhouse, the Queen's official residence when in Scotland. Buildings steeped in history line the route between the two, with most converted into shops, restaurants, and pubs.

July 18: Dundee, Scotland: See why Dundee is referred as the City of Discoveries. A golf-lovers paradise, this is the birthplace of the game and the perfect spot to squeeze in a round.

July 19: Dundee, Scotland: It's also the ideal location to brush up on your naval history with a tour of the HMS Unicorn, a nearly 200-year-old ship from the golden age of sail to life. Afterward, relax by the River Tay and take in the views of Scotland's hidden gem.

July 20: Invergordon, Scotland: A popular port of call, Invergordon combines a superb

natural setting of mountains, tumbling waterfalls, rushing rivers, magnificent gardens, and serene lochs—including Loch Ness and its famous resident. Some must-sees include the castles Dunrobin and Cawdor (reportedly Macbeth's castle), the flower displays of Beaulieu, Culloden Battlefield, Shin Falls, Inverness, and Glenmorangie Distillery.

July 21: Sea Day: Spend the day sailing in style aboard your boutique hotel at sea. Indulge in a treatment at Sanctum Spa, stay ship shape with a class at our fitness center, or lounge the day away on our sunny pool deck. In the evening, savor inspired Italian cuisine at Aqualina, or relish in a classic steakhouse experience at Prime C. Plus, you'll find plenty of exciting evening entertainment, from thrilling shows at Cabaret Lounge to intimate performances in the Living Room. [See the YouTube Tour of the Azamara Journey](#)

July 22: Belfast, Northern Ireland: Since Gail and Linda are Virtuoso Travel Agents, our clients get an included full-day Virtuoso Voyages shore excursion to Belfast with a full day tour and delightful lunch. This is a great city where the Titanic was built.

July 23: Glasgow, Scotland: Glasgow is a lively and cosmopolitan city, making a name as a vibrant center of 21st century design

n, set against a background of exceptional Victorian architecture and state-of-the-art glass towers which house a growing financial services industry. The real Glasgow can be found in the pubs, where everything from the weather to solving the world's problems are discussed over a pint.

July 24: Douglas, Isle of Man: Take a trip back in time when you arrive in Douglas on the Isle of Man. Horse-drawn trams guide travelers through scenic sea-front streets just as locals have been doing since 1876. Visit medieval fortresses, abandoned castles (haunted by a ghost dog, as the legend goes), and the village of Cregneash, where residents live in authentic thatched cottages that harken back to a bygone era.

July 25: Dublin, Ireland: There's a story

waiting around every corner in Dublin. Spend time in Temple Bar and watch the city come alive, take a ghost tour to discover Dracula's unnerving connection to Dublin, and behold a view you'll never forget from the Observation Wheel. Of course, no Irish adventure is complete without a trip to

the Guinness Storehouse where you'll learn the history of Ireland's most popular stout.

July 26: Liverpool (Lake District), England: A UNESCO World Heritage City, Liverpool combines contemporary and classic architecture, world-class golf, soccer, and horse racing, plus unique boutiques and shops that also make it one of England's leading retail destinations. Stroll the famed waterfront, visit the Museum of

of Liverpool and the Walker Art Gallery, and pay homage to The Beatles at such iconic sites as

Penny Lane and Strawberry Fields.

July 27: Sea Day: Great day to do those things on the ship you've been too busy to do beforehand.

July 28: Southampton, England: It was the departure point for the Mayflower in 1620. The charms of London are not far away, but pray tarry in the south to explore other wonders, including Bath, with its natural hot springs and stunning architecture and the mysterious

megaliths of Stonehenge, or venture all the way west to Lands End, and the wild moorlands and pirate haunts of Cornwall.
